AN IMPORTANT DISCOVERY .- It seems now to be certain that the experiments which have been carried on by Mr. I. L. Bell, M. P., at the instance of the Northwestern Railroad Company, and which were some time since hopefully spoken of by the chairman of the company, Mr. Leeman, for the production of a cheap and durable iron rail, have been singularly successful. It is confidently affirmed that iron rails, more durable than steel rails, can be produced by a new process at a much less cost and at a price but one pound per ton in excess of ordinary iron rails. Considering that steel rails, when worn out, are worth little, and that the new rail will be worth two-thirds of its original value for reconversion, the long-agitated question of iron vs. steel would seem to be determined. The value of this discovery to Cleveland will be incalculable, as the large, substitution of steel for iron rails has been most disastrous to the leading' industry of the district .- London News, November

THE HALINOIS CANVASS .- Springfield, Ill., November 27.-The canvass of the vote of Illinois took place to-day, and showed that the Hayes electors receiving the highest vote got 278,232, Tilden electors receiving the highest vote got 258,807, and Cooper electors 17,109. The House will stand: Republicans, 79; Democrats and Independents, 74, with two contests, which may give the Republicans two more. The Senate stands: Republicans, 22; Democrats, 24; Independents, 5. On joint ballot : Republicans, 101; Democrats, 98; Independents, Of the latter two, and possibly three, will cooperate with the Republicans. Congressional delegation: Republicans, 11; Democrats, 8; though it is claimed that a recount of the ballots in the Eighteenth district will elect Wiley, Republican. The figures show the election of the entire Republican State ticket.

THE ELECTION RESULT IN FREDERICK COUNTY, Mp .- Frederick. Md. 27 .- The recount of the vote of Frederick | county for Congress, made at the instance of the friends of Mr. McComas, Republican candidate in the Sixth district, was concluded here to-day. The majority for Mc-Comas in the county is reduced to 379, which is a gain of five votes for Mr. Walsh, the Democrat elected. This Republican recount makes the majority for Mr. Walsh in the Sixth district nineteen instead of fourteen, as officially returned.

TWENTY YEARS' IMPRISONMENT.—New York, November 27.—Recorder Hackett today sentenced Patrick Connors to twenty years' imprisonment for highway robbery.
